

Doing Things Better with UPI

Do you want to make a difference within a growing company that is making a difference in the world? Then UPI wants to speak with you at Purdue University's College of Agriculture Career Fair on October 4th at the Cordova Recreational Sport Center (Co-Rec) in West Lafayette, IN.

Click on the following link for full details [Purdue University College of Agriculture 2016 Career Fair](#)

UPI is looking for students who have completed their sophomore year of education for Summer Internship opportunities where you can learn from seasoned professionals and maybe even earn some college credits for your contributions.

There are also exciting Full-Time opportunities available for Graduating Seniors, PhD Candidates, and University Alumni.

To learn more about how UPI is *Doing Things Better* and available opportunities to Join Our Team, please stop by our booth and speak to a member of UPI's Recruitment Team.
